## **Turn ON Outside Faucets!**

**If you have not already done so, please turn ON the inside control for any faucet outside your unit. Lower-level garden style units may have both a front and a rear outside faucet. Patio homes may have both a side and a rear outside faucet.**

- 1. Turn ON the outside faucet**
- 2. Turn ON the inside control valve**
- 3. Turn OFF the outside faucet**
- 4. Check both the outside faucet and the inside control valve for leaks**
- 5. In case of a leak, turn off the inside control valve and contact Diana at SCS at 703-230-8704.**

**If you have any problem, or if you can't find the inside control valve for a faucet outside your unit, contact Diana.**
